

A Sewing & Textile Craft Studio

The Sewing Station needs Funding and Premises to get off the ground.
I hope to be able to set up the business under the Social Enterprise model.

The Sewing Station will re-invest its profits in the business and in the creative development of its staff and clients.

The bullet points below will give you an idea of what we will have to offer.
To register your interest in teaching for us, or to let me know what you'd like the Sewing Station to offer you, please contact me.

Phone: 0790 398 5400, or email alison@sewingstation.co.uk

 **Drop in** and use our facilities: sewing and knitting machines, overlockers, ironing station, large cutting surface, an adjustable tailor's dummy, and an extensive library of books and magazines covering sewing, pattern design, knitting, crochet and many other crafts.

 **Bring your own machine** and we will help you use it.

 **Absolute beginner?** or **Sewing Pro** without your own sewing station? We'll have just what you need. Help and advice is always on hand, high quality equipment here for you to use.

 We'll offer **workshops** and **classes** including Sewing, Knitting by hand and machine, Crochet, Wirework and Pattern Making. We'll also invite educators and designers to give workshops.
